

FINAL - Rehabilitation Case Management (RCM) Service Encounter Funding Source Matrix

Location of Client	Considered an IMD (Institute for Mental Diseases)?	Client Eligibility	State considers RCM Encounter as...	Notes
Jails or Correctional Facilities (adult)	No	Medicaid or Non-Medicaid	Non-Medicaid	Adults may or may not lose their eligibility while in jail depending on length of stay and whether their incarceration status has caught up with State. Regardless, services to clients in a correctional facility will always be funded with non-Medicaid funds only (i.e., no Medicaid funds may be used to support an incarcerated individual per the State).
Juvenile Corrections Facilities	No	Medicaid or Non-Medicaid	Non-Medicaid	Children/youth may not lose their eligibility while in a juvenile detention facility. Regardless, services to clients residing in a correctional facility are funded with non-Medicaid funds only (i.e., no Medicaid funds may be used to support an incarcerated individual per the State).
CSTC (Child Study & Treatment Center)	No	Medicaid or Non-Medicaid	Based on client eligibility	Funding is based on the client's eligibility per the State.
WSH or ESH (Western or Eastern State Hospital)	Yes*	Medicaid or Non-Medicaid	Non-Medicaid	Considered non-Medicaid because WSH & ESH are IMDs and per the SERI these services are considered Non-Medicaid regardless of the client's eligibility.
Community Hospitals)	No	Medicaid or Non-Medicaid	Based on client eligibility	A community hospital whose primary purpose is medical care is not considered an IMD; therefore, RCM services would be based on client eligibility.
Private Psychiatric Inpatient Hospitals (currently Navos, Fairfax, and Lourdes)=	Yes*	Medicaid or Non-Medicaid	Non-Medicaid	Stand-alone psychiatric hospitals with 17 beds or more are considered IMDs and per the SERI these services are Non-Medicaid regardless of the client's eligibility.
Evaluation & Treatment facilities (E&Ts) reporting 837I encounters – less than 17 beds	No	Medicaid or Non-Medicaid	Based on client eligibility	An E&T unit with less than 17 beds is not considered an IMD; therefore, RCM services would be based on client eligibility.
Evaluation & Treatment facilities (E&Ts) reporting 837I encounters – more than 16 beds	Yes*	Medicaid or Non-Medicaid	Non-Medicaid	Freestanding E&T facilities with 17 beds or more are considered IMDs and per the SERI these services are Non-Medicaid regardless of the client's eligibility.

*There are two exemptions for IMDs:

- a.) does not apply to individuals under 21 years of age
- b.) does not apply to individuals 65 years of age or older
